Defendant.)	

THIS MATTER is before the court on defendant's Motion Requesting Early

Termination of Supervised Release. After receipt of that motion, the court checked with both the

United States Probation Office and the United States Attorney's Office and neither opposes early
termination. While the court will grant the relief based on defendant's good conduct during
supervision, defendant is reminded that any outstanding restitution balance may still be collected
by the government through other civil means. Having considered defendant's motion and
reviewed the pleadings, the court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's Motion Requesting Early
Termination of Supervised Release (#50) is GRANTED, and Supervision is terminated early as
successfully completed.
